

Science Teacher: 2023-2024

Pius XI Catholic High School is seeking a Science Teacher for the 2023-2024 school year. Pius XI is the most diverse Catholic High School in the state and strives to offer each student an education that will prepare them for college or a successful career. Our community holds the following values: Integrity, Inclusion, Excellence, Community and Service and we work together to enthusiastically redefine educational excellence in Milwaukee.

The ideal candidate will love working with and challenging all adolescents to achieve excellence, be a collaborative and positive force among colleagues, open and eager to forge community partnerships in the area of science, and be fully immersed in creating a world class model of learning. The qualified candidate will teach courses in Biology and Forensic Science.

Qualifications:

- Bachelor's degree from an accredited four-year college/university required
- DPI license preferred (will consider unlicensed candidates who can demonstrate appropriate content knowledge and have an interest in pursuing licensure).
- Experience and expertise in science, math, and technology
- Experience managing and coordinating programs
- Demonstrated verbal and written communication skills
- Experience working with teenage students of varying abilities

Please submit resume, letter of interest, copies of college transcripts, and 3 letters of reference to rkrienke@piusxi.org.
