

FALL (2010) SPORTS INFORMATION FOR PIUS XI ATHLETES AND PARENTS

	Required Form (A or B) must be turned into athletic office before any participation in any sport is allowed.
Physicals are required every 2 years. Call Dick Fischer at 218 2174 if you are not sure if a physical is needed.	Forms can be picked up in the Pius XI Attendance Office Monday through Thursday from 8 am until 3:30 pm. Students who need physicals may get them on August 3, 2 pm - 6 pm, in the Pius XI field house. It is important that those students wishing to take advantage of this opportunity pick up a "preparticipation physical" information sheet in the Pius XI Attendance office before they come for the physical. This will ensure they will be able to get their physicals without any problems.

If anyone has questions concerning a specific sport, please contact the head coach of that sport. Call Tom Kloza (290 8165) with general athletic related questions.
 Parking in the Pius XI parking lot will be restricted during State Fair (8/5 - 8/15). Please plan accordingly.
