

HIGH SCHOOL

Possibilities. Preparation. Purpose.

Mission Statement

Pius XI High School is a Catholic, co-educational high school serving southeastern Wisconsin.

In the Franciscan and Pallottine traditions, students and teachers are partners in a rigorous learning environment.

In this community, young adults from all backgrounds develop confidence, creativity and compassion.

LETTER FROM THE BOARD CHAIR

Norm Balthasar

In a year when larger economic realities have challenged giving, I am proud to thank our Pius XI Community for giving from the heart, and giving generously. Your investment assures the educational futures of talented students who rely on Pius XI High School to provide a caring and strong Catholic education; rich in programming and distinct in its student-centered individualized approach.

The school exceeded its annual fiscal goals. This achievement allows us to competitively set tuition and manage it to maximize every opportunity for our students and their hard-working families. Tuition is supplemented through the generosity of our donors many of whom are alums who make Pius XI a priority. High quality applicants compete for scholarships that are grounded in academics, character, and leadership.

The Annual Fund and related key events met goal and surpassed the previous year, despite a most challenging economic backdrop. Our collective Pius XI pride helped the school achieve its target of raising more than one million dollars. Further, these proud Pius XI supporters welcomed more than 350 new donors who gave generously. Parents and grandparents, students and alums, along with our friends in the community-at-large joined together in a greater effort to ensure that Pius XI remains strong.

The commitment of outstanding faculty and their partnership with our students is well known, as is the enduring legacy of this extraordinary spiritual community. Such dedication and collaborative partnerships are integral to the success of institutional goals. For my wife Susan and I, the commitment to the Father Robert V. Carney Performing Arts Center is a priority. Making this dream a reality is our goal for next year.

I appreciate the ways your pride and investment in Pius XI High School has shaped the futures of our students. We continue to need you, and we rely on your presence and support, in varied ways, to further our mission. The leadership of more than 26,000 alums and friends is understood best when that pride and loyalty translates into commitment. In the following pages, take pride in your Pius XI High School!

With sincere gratitude,

Norm Balthasar

LETTER FROM THE CHIEF ADMINISTRATOR

Melinda Skrade, Ph.D.

As a Pius XI Educator, I have seen the school develop over the past quarter century in important ways while maintaining its core commitment and philosophy. Everywhere I turn, students and teachers are partnered in learning settings — offering reflections in the Chapel, assessing a portfolio, analyzing a stock, completing a lab, or discussing a thesis— all centered in a caring environment. Another constant of Pius XI is applied situational learning which includes: onsite art portfolio college interviews, television performances, daily service opportunities, deep dive marine biology, battlefield analysis at Gettysburg, **and** global leadership training in Costa Rica! These kinds of opportunities were not available to me as a student but as a Pius XI Parent, who understands the value of a Catholic co-education, I made sure that my son and my daughter took full advantage of these applied learning environments that cultivate deeper understanding of complex issues in a world that needs adaptive leadership.

High-performing teachers prepare Pius XI students for higher education through rich programming. It is typical at Pius XI to see over 20 institutions visiting the nationally-recognized Visual Arts program. A week doesn't pass without a visit from universities vying for our Engineering students, too. As always, our alums re-connect through advisory boards, assemblies, guest directing, and most recently, visiting the Center for Applied Finance and Economics (CAFÉ). Randy Knafllic '91 spent time with the Economics students and shared experiences as a leader in Google (Europe, Middle East, Africa, Asia). This summer, our Performing Arts K-16 program was the centerpiece article in the National Catholic Education Association publication, *Momentum*. Of course, our gifted educators and remarkable parents provide extra challenges through Academic Decathlon, Rube Goldberg, Mock Trial, and over 30 productions each year.

And that's not all!

If you haven't heard, the hardest-working coaches around have taken our Athletic Programs to new achievements—

from sweeping a state championship with the outstanding Girls Basketball Team to extending more sports into post-season competition! Studies show that high performing athletes are also high achieving students. This kind of correlation is supported by exposure to higher education, such as the boys soccer annual tour of Eastern colleges with their head coach and parents. Master educators are found in all areas at Pius XI High School.

When I think about Pius XI and the future, I give thanks for the leadership of our Pius XI Board Chair, Norm Balthasar, and the Board of Directors, who have strategically positioned Pius XI for its next chapter. Their collective pride in the Pius XI past is balanced with a focus on a future that includes completion of fund-raising for the Father Robert V. Carney Performing Arts Center, innovative online course offerings, and continued commitment to the highest quality admissions of hard-working, deserving students. Please share your pride in Pius XI High School, the strongest and largest Catholic co-educational high school in the state of Wisconsin.

HIGHLIGHTS

Our Pius XI students make us proud every day in the classroom, in the laboratory, in the athletic arena, in the art studio, on the stage and in the community at large. Here are just a few highlights of accomplishments this school year.

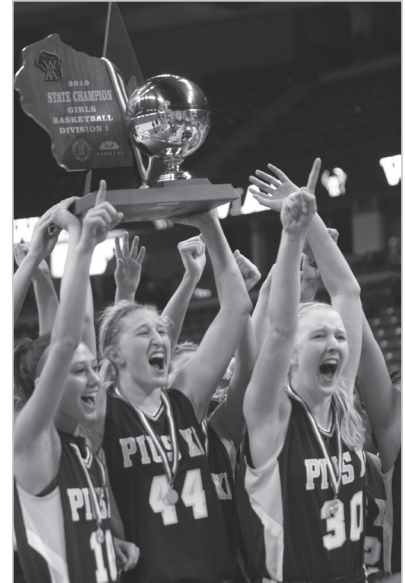

Pius XI Lady Popes win WIAA State Championship

Congratulations to our Lady Popes Basketball Team and program for their achievement in winning the WIAA State Championship game in Madison on March 27. Topping off sixteen successive wins in the season, beating the Greater Metro Conference champs, the sectional finals teams, and then the Big Eight title holder, Pius XI went on to end a public state title string and finish off the team ranked first in state.

Pius XI Visual Arts Accolades

Pius XI is proud to announce that our students received 38 individual awards at the Regional Scholastic Art Competition:

- 16 students received Gold Key awards for their portfolios
- 15 students received Gold Key awards for their individual work
- 6 students received Silver Keys for their individual work
- 1 student received the American Vision Award, given only to the top five pieces in the entire show

Gold Key award winners submitted their work at the national competition. Their work was also displayed in the Milwaukee Art Museum.

Two Pius XI High School visual arts students were recognized as 2010 National Scholastic Art and Writing Award Winners. Sonja Solvang '11 was awarded a Gold Medal in printmaking for her piece, *Window*, and Emily Topczewski '11 was awarded a Silver Medal in Fashion for her piece, *Able-Grable/Dress*.

Rube Goldberg Competition

Pius XI's Rube Goldberg team placed 2nd Overall in the 2010 Rube Goldberg Machine Contest. The team also won Best Design, Best Construction, Best Technical Writing and the Peer Award.

Pius XI Performing Arts Accomplishments

Pius XI High School presented the Tony-Award winning musical *Titanic: The Musical*—a joint collaboration between students, faculty, parents, alumni and the professional theater community! The play rarely performed due to the sheer size and scope of the production.

Also Performing Arts students received the following awards from the Wisconsin School Music Association (WSMA):

- 4 students were accepted into the WSMA State Honors Band Program
- 10 students were accepted into the WSMA State Honors Choir
- 12 solo and ensemble auditions took first place at the WSMA State Solo and Ensemble Festival

In addition, Pius XI received 5 Special Commendation Awards at the Wisconsin School Music Association Vocal Festival!

DONOR SPOTLIGHT

The Meinerz Family

Each year, Pius XI High School recognizes alumni who have distinguished themselves by their exemplary commitment and generosity to Pius XI High School and the community.

This year Pius XI honored the eight children of Viola and Archie Meinerz: Lynn Meinerz Thornhill '61, Leigh Meinerz Peterson '64, Sandra Meinerz Townsend '66, Tim Meinerz '67, Greg Meinerz '68, Scott Meinerz '72, Nancy Meinerz '75, Luann Meinerz Namowicz '76. The family was honored as the last member of the second generation of Meinerz alumni, Kelsey Meinerz '10 (daughter of Scott Meinerz) graduated. Other second-generation Meinerz alumni include Kelsey's sisters Caroline '08 and Meghan '03; Ariel Namowicz '08 (daughter of Luann), Michelle Packard '98 (daughter of Nancy) and Daniel Liebly '03 (son of Nancy).

"I was almost surprised, but very grateful, that the Meinerz family agreed to be acknowledged as Distinguished Alumni," says Pete Yaeger, Pius XI Donor Relations. "I have known the family for more than 10 years. They are very dedicated and generous, and also very humble. They like to stay in the background. I think the fact that this was a milestone moment, with Kelsey's graduation, it made it a little easier for them to accept Pius XI's gratitude in a more public setting."

In accepting the recognition on behalf of all his siblings, Scott Meinerz spoke of how important it was to his mother that her children receive a Catholic education. Catholic education was so important to his parents that, beginning in 1993, they started a scholarship fund. After their deaths, the scholarship was continued by the Archie and Viola Meinerz Family Foundation. This exceptional investment has been transformative. It has made it possible for dozens of worthy students to receive a Pius XI education who may otherwise not have been able to attend.

"Scott's tribute to his mother took my breath away," says Pius XI's Chief Administrator Melinda Skrade. "Her commitment to Catholic education and the mission of Pius XI is being carried forward by her beautiful family, and is shaping the lives of so many of our students who have been the recipients of their generosity".

Nancy Meinerz, Scott Meinerz, Sandy Meinerz Townsend, Luann Meinerz Namowicz, Greg Meinerz, Leigh Meinerz Peterson pose for a photo before the graduation ceremony begins. Not pictured Lynn Meinerz Thornhill, Tim Meinerz.

In addition to their incredible investment in the scholarship fund, Archie and Viola Meinerz and all of their children were major donors to the Pius XI capital campaign. The Pius XI High School is truly blessed by the Meinerz family's legacy of leadership.

FACULTY SPOTLIGHT

Ken Kessenich

“Enthusiasm in teaching is contagious to student learning”

-Ken Kessenich
2010 Herb Kohl Fellow
Pius XI High School

Whether he is cooking pancakes during a TAC party, training students in the proper technique for using the lathe to finish their engineering project, taking a group of students down to Discovery World for a dive in the aquarium or coaching student-athletes to success in a track meet, enthusiastic is a perfect description for Pius XI faculty member Ken Kessenich.

Kessenich is the recipient of a 2010 Herb Kohl Educational Foundation Fellowship in recognition of his “superior ability to motivate others, and for leadership and service within and outside the classroom.”

Kessenich joined the Pius XI faculty in 1978 as a science teacher. Four years ago, he took on the role of lead teacher as Pius XI launched Project Lead the Way, a program designed to introduce students to engineering as a possible career and earn college credits while still in high school. Kessenich attended a 2-week summer training institute, designed a classroom, and coordinated all the ordering and installation of equipment. The program began with 55 students that first year. Under Kessenich’s leadership the program has grown to having three instructors teaching nine sections of four different classes of engineering with 192 students enrolled. In 2009, 82 students earned a total of 246 college credits in the classes.

In addition to helping develop Project Lead the Way Kessenich also developed Pius XI’s Key Largo – Tropical / Sub-Tropical Marine Ecology Class. During this six-day trip to the Florida Keys students study all aspects of the ecological regions in the area, from the Everglades on land to the Coral Reefs six miles off shore. Since the program’s inception in 1993, more than 300 students have traveled to Key Largo where they participate in 3 lectures/discussions each day, 3 “field trips” of snorkeling or diving each day, and one lab each night. To assist students in being able to attend and afford this trip, Kessenich pursued and became a certified PADI SCUBA Instructor.

In 2010 Kessenich spearheaded another unique opportunity for students. He developed a SCUBA diving intern program relationship with the Discovery World Museum in Milwaukee. Key Largo students who are SCUBA-certified may become trained exhibit divers. The students then volunteer their time at Discovery World doing public interaction dives and aquarium cleaning /maintenance.

Kessenich, who is a proud parent of two Pius XI alums Lindsey '05 and Patrick '10, sincerely believes that all students can learn, especially with the right support. He is often in his classroom a full hour before school starts to be available for students who need extra help. He lets students work in his room during his prep time, and often stays after school to provide individual attention or arrange an accomplished peer to assist. Kessenich has also added “Sunday Engineering Afternoons” to provide a relaxed atmosphere to help students finish their work on time, with better results, and with even more involved creative solutions.

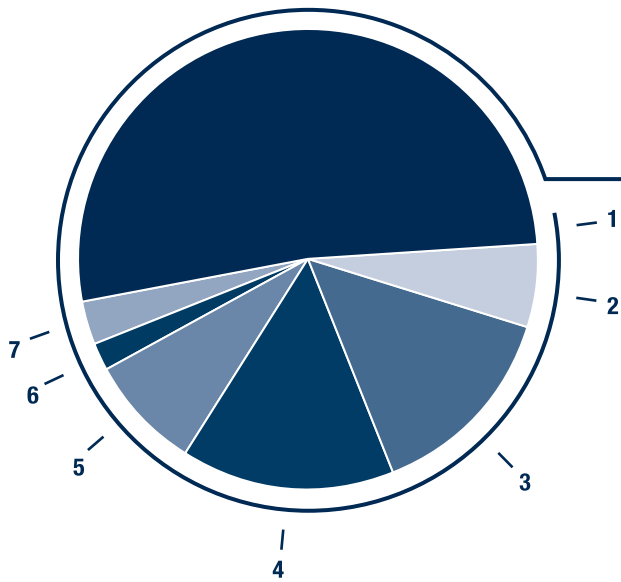

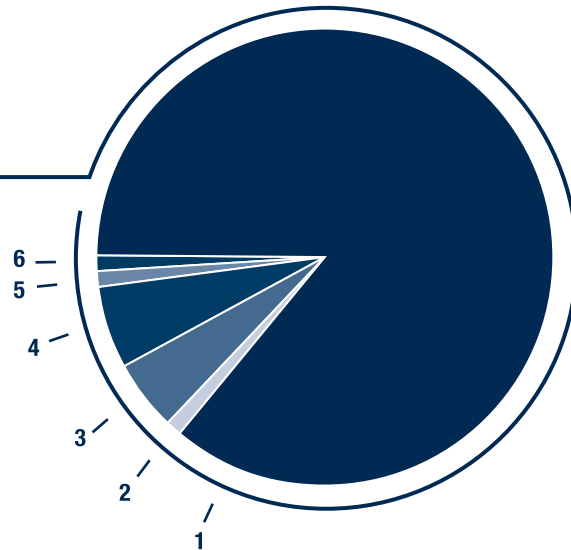

“By role modeling excitement about what is to be learned and applied, students buy in early to class work and are willing to give just a little bit more,” Kessenich says, “By continuing to provide that enthusiastic appreciation for their work, not only do I find that it builds their self esteem, but it also motivates them to take the next step with their work when necessary.”

We congratulate Ken on his well-deserved recognition by the Kohl Educational Foundation.

ANNUAL FUND

The Annual Fund provides critical operational support that enables us to provide a Pius XI education—including all its possibilities, preparation and purpose—to a broad cross section of our community's youth. Each year the Annual Fund bridges the gap between the true cost of a Pius XI education and tuition revenue. We appreciate the generosity of all our donors.

Pope's Circle

The Pius XI Leadership Giving Society—the Pope's Circle—recognizes individuals whose generosity and commitment build the foundation for our school's strength. The members of this group, listed here, play a special role in furthering our mission. Benefits include invitations to special Pius XI events, receptions with our Chief Administrator, Melinda Skrade, PhD, as well as regular special updates on all that is new at Pius XI.

HONOR SPOTLIGHT

A donation to the Annual Fund is a meaningful way to honor someone who has demonstrated a commitment to the mission of Pius XI High School. Virginia Kuemmel '80 honored her parents, who have been dedicated members of the Pius XI community for more than 60 years.

In 1946, David and Marie Lewis Kuemmel (both '50) began their Pius XI journey as freshman. From 1969-1986, David and Marie were Pius XI parents, as they saw each of their eight children through "their" high school. During those years, they were continually impressed by the caring faculty, and the individual attention offered to each student.

When one of their younger children mentioned that a classmate might not be able to return to Pius XI because of a change in the family situation, the Kuemmel's were moved to begin an annual scholarship. Now 22 years later, their commitment to Pius XI continues, as does their scholarship.

We are grateful to Marie and Dave for their on-going support of Pius XI, and to Virginia for honoring their investment with an additional gift.

MEMORIALS

The following individuals have been memorialized with a gift to Pius XI High School this year. We are grateful to the donors who chose to remember these special people in such a meaningful way.

CAPITAL CAMPAIGN

For well over two decades, Pius XI High School has dreamed of having a home of its own for the renowned Performing Arts program. This long-time dream is nearly a reality, with the last dollars to be raised finally in sight.

We are grateful to the more than 1,500 donors who have contributed to the Campaign for Inspiring Lives. We are pleased to acknowledge the following donors who have made a gift to the campaign in fiscal year 2009-2010.
