

PIUS XI HIGH SCHOOL
NATIONAL HONOR SOCIETY

In order to assist the National Honor Society faculty committee* in determining who will be invited into membership, we ask you to complete this NHS application. Please note that this is the **only** way the council will know of your activities and accomplishments. You cannot assume they know anything about you beyond this application.

Since your GPA alone does not guarantee membership in NHS, do not be modest in the completion of your application. The faculty committee uses all the information you provide. If the information is illegible or incomplete your chances for selection will diminish. Students with excellent records have not been selected because of poor quality applications or because activities they were involved in were not listed.

If you have questions about filling in the application there will be an informational meeting in my TAC, room 300 on April 2 (3:10 pm) and April 3 (7:30 am).

GENERAL GUIDELINES

Please read carefully

1. It is your responsibility to submit a completed and fully documented (appropriate signatures when requested) application containing all the necessary signatures by the deadline of April 23, 2009. Late applications will only be considered in exceptional situations.
2. Based on the assumption that membership in NHS indicates superior scholarship, character, leadership and service it is expected that students will complete the application process displaying those very characteristics.
3. The application must be neat, written in ink, and complete to the best of your abilities.

You will be notified of your selection or non-selection approximately three weeks after the application due date. Once a member of NHS you will be expected to be an active member – attending bimonthly meetings, doing a minimum of 20 hours of service, maintaining your good academic record, and also maintaining your good character. Thank you for your interest and good luck, Mary Wolff

* The academic council is a group of five Pius XI teachers chosen by the administration to read your application and choose the best candidates for NHS. As adviser, I am not allowed to offer input regarding the selection of candidates.

IV. Service Activities – List service activities in which you have participated. These can be service projects done with a group or alone, either in or out of school. Generally speaking, service activities are those which are done on behalf of others (not immediate family members) for which no compensation was given.
