

Pius XI Catholic High School is seeking a full-time Math teacher for the 2026–2027 school year. Pius XI is the most diverse Catholic high school in the state of Wisconsin and is committed to providing every student with an education that prepares them for college, career, and a life of purpose. Our community is grounded in the Gospel values of Integrity, Inclusion, Excellence, Community, and Service, and we strive to cultivate an environment where students are challenged academically while also growing as compassionate and responsible members of society.

The ideal candidate will enjoy working with adolescents and be committed to challenging all students to achieve excellence. This individual will thrive in a collaborative environment and enjoy working as part of a dynamic and positive Mathematics department. Candidates should demonstrate a passion for Catholic education and a willingness to integrate Catholic and Gospel values into the classroom experience.

The qualified candidate should be able to teach Algebra I and Algebra II.

Responsibilities

- Teach Algebra I and Algebra II courses
- Create a positive, engaging classroom environment that supports student learning
- Collaborate with Mathematics department colleagues on curriculum and instruction
- Support the mission and values of Pius XI Catholic High School
- Communicate effectively with students, families, and colleagues

Qualifications

- Bachelor's degree from an accredited four-year college or university required
- Wisconsin DPI teaching license preferred (candidates without licensure may be considered if they demonstrate strong content knowledge and a willingness to pursue licensure)
- Demonstrated proficiency in secondary mathematics and strong verbal and written communication skills
- Experience working with teenage students of varying abilities preferred

Application Process

Interested candidates should submit the following materials:

- Resume
- Letter of interest
- Three letters of reference

Please send all application materials to Principal Ryan Krienke at rkrienke@piusxi.org.
